COLLEGE CREDITS VIA MICROCREDENTIALS

PSEA members can earn graduate-level credits from **PennWest—Edinboro** at affordable prices through micro-credentials!

After completing a microcredential, can choose to earn **graduate-level credits** for only \$70 a credit!

Check your contract to see how credits can **benefit** you!

What are Microcredentials?

A microcredential is a competency-based recognition of mastery in a specific topic. You can learn at your own pace, alone, or with friends! PSEA, in partnership with NEA, offers dozens of microcredentials including many designed to meet the unique needs of Educational Support Professionals!
